Commissioner of Land Revenue

(M) T.S.No.205/1A1A3 was alienated to the Depressed classes Mission, Mangalore in G.O.No.2325 Rev., dated 12-10-16, for use as a school garden and play ground and T.S.Nos.205/1A1B and 205/1B were alienated to the Mission in G.O.No.97 Revenue, dated 9-4-1909 for the construction of an Industrial School for the Depressed Classes with a kitchen and a bath-room for the pupils and quarters for the Superintendent. In both the cases the alienation of land was sanctioned subject to payment of ground rent at a low rate.

(N)

2. The Secretary of the Depressed Classes Mission now

now requests that the ground rent ordered to be paid on the plots may be alienated as the plots are used for school purposes. The Collector recommends that his request may be granted.

From the statement of receipts and expenditure for the last 5 years furnished by the secretary of the Mission, the Collector finds that the Mission does not derive any profit from the school, nor is it likely to derive any profit. The Board recommends that the land revenue payable on the lands in question may be alienated in favour of the Depressed Classes Mission, Mangalore, so long as the lands are used for the purposes for which they have been alienated.
